

CORPORATE IDENTITY

3rdevent Translations provides quality translations to technical, legal, medical, and business clientele throughout the world. We focus on providing our clients with cost-effective, professional translations, efficiently and on time.

Our success can not only be attributed to the high marks we receive for client satisfaction, but also to our professional translators and management team who take considerable pride in the quality of the work they perform. Clients appreciate this commitment to excellence.

3rdevent serves a broad spectrum of clients, including small and large corporations, law firms, medical institutions, government agencies, small businesses, and individuals.
